Nahum -la ciudad de Jesús- abre una nueva etapa en la serie «Caballo de Troya». En esta séptima entrega del mayor norteamericano que viajó a la Palestina del siglo I todo cambia. Descubrir la trama no es aconsejable. Usted, probablemente, no dará crédito a lo que lea en sus páginas. Quizá tenga razón, pero no olvide que la verdad supera siempre a la ficción. Sí, podemos asegurarle que si se decide a leer Nahum, sus certezas religiosas saltarán por los aires, afortunadamente. Nada de lo que se considera oficial y ortodoxo guarda relación con lo escrito en «Caballo de Troya».

## **The Temple Scroll**

Al leer Caballo de Troya 9. Caná, el lector llega a una conclusión: todo lo contado sobre Jesús de Nazaret conviene ponerlo en

duda. La verdad, probablemente, fue más intensa e inquietante. Si el lector lee la primera línea de Caná no será por casualidad. Y atención: sus principios se tambalearán.

## **The Dead Sea scrolls translated**

Best-selling author, pastor, futurist, and cultural thought leader believes that to experience and establish peace, we must first confront the battles that rage within. McManus shows that encountering peace does not occur by accident, but rather by artful intention. Warrior is a call to decisiveness, self-examination, and the pursuit of spiritual wholeness. Through the ancient biblical practices of humility, focus, ownership, clarity, strength, and vulnerability, he guides readers to a deeper understanding of their inner workings and provides the guidance they need to establish peace and tranquility in their homes, neighborhoods, communities, and even the world! In the style of a battle-wizened teacher, McManus delivers wisdom, instills passion, and provides the sacred movements needed to become the warrior you were meant to be.

## **Jesus, Lover of My Soul**

Two thousand years later the call to follow Christ has been repackaged to be smooth and trouble-free, filled with opportunity and promise but lacking risk, passion, and sacrifice. Is this really what Jesus died for? If He chose the way of the cross, where would He hesitate leading us? Is it possible that to follow Jesus is to choose the barbarian way? Jesus never made a pristine call to a proper or safe religion. Jesus beckons His followers to a path that is far from the easy road. It is a path filled with adventure, uncertainty, and unlimited possibilities?the only path that can fulfill the deepest longings and desires of your heart. This is the barbarian way: to give your heart to the only One who can make you fully alive. To love Him with simplicity and intensity. To unleash the untamed faith within. To be consumed by the presence of a passionate and compassionate God. To go where He sends you, no matter the cost.

## **Anna, Grandmother of Jesus**

Jesus, Lover of My Soul by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

## **Mudras**

The introduction, translation and commentary on the Temple Scroll by Johann Maier has been thoroughly revised and updated by the author for its English edition, taking account of improvements in readings, and, among other recent secondary literature, the English translation of Yadin's edition, to which cross-references are given. Students of Second Temple Judaism, and the Dead Sea Scrolls in particular, will at last have a convenient English edition of this most important document from Qumran.

## **El Libro Del Recuerdo de Enoc**

Was The Virgin Mary really the naive woman established religions have depicted? No. Mary was an Essene, a high level initiate, a healer, and an authentic Master. What do we truly know of the one whom history calls the mother of God? Thanks to his capacity to penetrate the soul of a being, the author raises a corner of the veil, and blows away the dust of all the false beliefs that we have been inculcated about her. With him we plunge into the richness and beauty of her inner life and we

discover a fascinating world of sensitivity, joy, and ecstasy. This remarkable woman is a genuine jewel capable of enriching our lives.

## **Caná. Caballo de Troya 9**

Study of the economic transformation of Hungary, presenting local ideas and perceptions and international analysis.

## **Ingeniería para el alma**

Acting as a historical detective, the author of this text strips away the layers of deception and propaganda that surround the Christian story in a quest to find the real Mary Magdalene, asking such questions as was she a reformed prostitute who spent the rest of her life in penitence; or was she merely one of the women who followed Jesus?

## **Mas Voces de la Iglesia Hispana (Spanish)**

The result of over thirty years of research and lecturing, Paul Through Mediterranean Eyes is a ground-breaking study of Paul's first epistle to the Corinthians. Bailey examines this canonical letter through the lenses of Paul's Jewish socio-cultural and rhetorical background and the Mediterranean context of the Corinthian recipients. In a set of connected essays, he draws the reader's attention to the letter's rootedness in the Hebrew prophetic tradition, the intentional theological structure of Paul's epistolary organization and the Near Eastern cultural practices that inflect Paul's rhetorical performance. All of this is brought to bear in teasing out the nature of Paul's response to the critical situations facing the Corinthian community: racial, ethnic and

theological divisions, sexual misconduct, intimate interaction with pagan practices and disputes about church practices.

## **Mary, the Essene Virgin**

Imagine yourself transported two thousand years back in time to Galilee at the moment of Jesus' Sermon on the Mount. After hearing it, would you abandon your religious beliefs and ideology to follow him, or would you hold on to your own beliefs and walk away? In *A Rabbi Talks with Jesus* Jacob Neusner considers just such a spiritual journey.

## **Jesús el Esenio**

The Names of Christ is a masterpiece of the Golden Age of Spain. Written in the style of a pastoral novel, the work is a meditation on the philosophical and theological significance of the names of Christ. Based on a careful examination of ten names given Christ in the Scriptures, the book reflects elements of Augustinian, Jewish, and Islamic spirituality that were part of sixteenth-century Spain. Luis de Leon was born in 1527 in Belmonte, a small village in the Castile region of Spain. An Augustinian friar, a brilliant professor, an artful poet, he was a true Renaissance man whose vision of the fullness of Christ sustained him in the face of persecution at the hands of the Inquisition and infused his writing with a sensitivity that has made The Names of Christ a treasure of Spanish literature and a classic of Catholic mysticism.\"

“Ingeniería para el Alma nos muestra el desconocido potencial que poseemos como humanos evidenciado en múltiples aspectos como la estructura molecular del agua, el ADN de nuestra estructura biológica y la especial comunicación que éste

genera al transmitir y recibir información permanentemente: un auténtico mecanismo de tecnología avanzada que guarda nuestras vivencias y cambia internamente a medida que avanzamos. El solo “darnos cuenta” de todas estas increíbles características evidencia el gran poder inherente a todo ser humano que nos permite transformar la realidad y hacer tangibles nuestros sueños. Esto se hace posible cuando reconocemos que la realidad física es modificada por nuestras vivencias e intenciones y que a su vez ese medio cambia dinámicamente nuestra biología y nuestra comunicación. ¿Quién no tiene realidades propias que desearía cambiar? Con la ayuda de Ingeniería para el alma lograrás conocer los mecanismos del cambio e ir más allá de tus limitaciones.”

## **La Biblia desde los márgenes**

An important goal in the study of Kabbalah is to use one's knowledge to influence one's destiny. Firstly, one has to realise what life is, what its meaning is, why it is given to us, where it begins, and where it ends. After pondering and meditating on the above questions, one has to relate all this to Kabbalah. Kabbalah states that the Creator created all the worlds simultaneously, including our world, and we human beings have to use Kabbalah in our world, the finite material world. In order to further advance our understanding of the wisdom of Kabbalah, we need to lift our mind's eye above the horizon of our material world. Kabbalah clarifies our perception of reality. What we see around us is subjective and exists only in relation to ourselves. Our perception depends on our organs of sensation: if they were different, we would perceive another world around us. This book provides the reader with a solid foundation for understanding the role of Kabbalah in our world. The contents was designed to allow individuals all over the world to begin traversing the initial stages of spiritual ascent toward the apprehension of the upper realms.

The pure and original words of Essene teachings.

## **The Qumran Chronicle**

The self-published spiritual word-of-mouth bestseller Anna, Grandmother of Jesus became a publishing sensation when the self-published version sold 50,000 copies through word of mouth alone, amassing a worldwide following in the process. Anna is the mother of the Virgin Mary and the grandmother of Jesus. Her teachings and service birthed a spiritual lineage that changed the world. In this book, you'll discover missing pieces of history concerning Anna, Mary and Jesus, as channelled by Claire Heartsong, who has been receiving telepathic messages from Anna for 30 years. Told through the gentle and heartwarming voice of Anna herself, this book offers insights into unknown places the holy family visited, people they knew and intimate details of their daily struggle to complete the Resurrection challenges. You will learn about the Essenes of Mount Carmel and their secret teachings and initiations, and gain a new understanding of Jesus's mission. Containing encoded activations to bring Anna's wisdom and energy into your own spiritual life, this book is an invitation to complete a journey of initiation begun long ago.

## **Jesus, el Esenio**

En el curso de sus estudios de la Biblia, por supuesto, el autor también analizó los Diez Mandamientos y encontró una serie de inconsistencias. En una inspección más cercana, quedó claro que los Diez Mandamientos clásicos de la Biblia no cumplen con los requisitos que se establecen en la ética universal. Son absolutamente sexistas, xenófobos, desequilibrados y no moldeados

por el \"amor divino\" que todo lo abarca y que siempre enfatiza la iglesia. Partiendo de esta comprensión de que los Diez Mandamientos bíblicos eran inadecuados, surgió la idea de diseñar una versión nueva, completa y equilibrada de los Diez Mandamientos para todas las personas de todas las religiones, pero también para los no confesionales y los llamados incrédulos. No formuló sus mandamientos ni como un pedido exclusivo \"deberías\"

## **The Way of the Warrior**

Se ha analizado la narrativa de George Moore, en concreto aquella que tiene como referente Irlanda, y se ha investigado la imagen que el autor propaga en torno a sus contemporáneas irlandesas. Dicha imagen se ha contrastado con la que ofrecen de ellas fuentes históricas. El resultado del contraste ha sido un elevado índice de similitud entre las descripciones dadas por el autor y las presentadas por estudiosos de la mujer en Irlanda durante finales del siglo XIX y principios del siglo XX, época de auge de la llamada \"Women Question\". Asimismo, se ha constatado que George Moore participa del controvertido debate que tal cuestión centra a juzgar por multitud de pasajes en los que se decanta abiertamente a favor de que la mujer goce de los mismos derechos y privilegios que los varones en el terreno social, jurídico, laboral o educativo, al tiempo que manifiesta su aversión hacia ideologías filosóficas, políticas o religiosas que conciben al sexo femenino en un plano secundario, siempre subordinado al masculino. La perspectiva de análisis adoptada ha radicado en la crítica literaria feminista.

## **Nahum. Caballo de Troya 7**

El estudio de la Biblia avanza hoy por sus márgenes, por campos de estudio que contribuyen a reconocer los infinitos sentidos de las Escrituras: los originarios de los libros bíblicos, los desarrollados en la exégesis judía, cristiana e islámica, los

desplegados en la cultura y las artes a lo largo de los siglos y los de las múltiples interpretaciones propuestas desde perspectivas actuales. En La Biblia desde los márgenes se tratan temas como los manuscritos de Qumrán, las identidades judía y cristiana, el trasvase de tradiciones cristianas al islam o las conexiones entre Ley, Sabiduría, apocalíptica y mística, y también se desarrollan ejercicios de exégesis y de lectura de la Biblia a partir de recreaciones literarias contemporáneas.

This Expanded Edition explains the divine female principle as the source of creation—both metaphysically and physically; the feminine dual nature of Isis with Nephthys; the relationship (and one-ness) of the female and male principles; the numerology of Isis and Osiris; Isis' role as the Virgin Mother; explanation of about twenty female deities as the manifestations of the feminine attributes; the role of Isis' ideology throughout the world; the allegory of Isis, Osiris and Horus; and much more. This book will fill both the mind with comprehensive information as well as the heart—with the whole spectrum of emotions.

## **Brief Therapy with Intimidating Cases**

After Francisco Franco's victory in the Spanish Civil War, a great many of the country's intellectuals went into exile in Mexico. During the three and a half decades of Francoist dictatorship, these exiles held that the Republic, not Francoism, represented

the authentic culture of Spain. In this environment, as Sebastiaan Faber argues in *Exile and Cultural Hegemony*, the Spaniards' conception of their role as intellectuals changed markedly over time. The first study of its kind to place the exiles' ideological evolution in a broad historical context, *Exile and Cultural Hegemony* takes into account developments in both Spanish and Mexican politics from the early 1930s through the 1970s. Faber pays particular attention to the intellectuals' persistent nationalism and misplaced illusions of pan-Hispanist grandeur, which included awkward and ironic overlaps with the rhetoric employed by their enemies on the Francoist right. This embrace of nationalism, together with the intellectuals' dependence on the increasingly authoritarian Mexican regime and the international climate of the Cold War, eventually caused them to abandon the Gramscian ideal of the intellectual as political activist in favor of a more liberal, apolitical stance preferred by, among others, the Spanish philosopher Jose Ortega y Gasset. With its comprehensive approach to topics integral to Spanish culture, both students of and those with a general interest in twentieth-century Spanish literature, history, or culture will find *Exile and Cultural Hegemony* a fascinating and groundbreaking work.

## **The Last Arrow**

The Gospel according to Spiritism is one of the five books that make up the Spiritist Codification, a set of teachings transmitted by high order spirits, and organized and commented upon by Allan Kardec. This work contains the essence of the moral teaching of Jesus, and therefore is a refuge where the followers of all religions – and even those who have no religion – may join hands, because it offers a sure itinerary for our inner reform, the objective indicated by Christ as indispensable for achieving our future happiness and inner peace: that achievement which only the full observance of the divine laws can provide to the spirit on its gradual evolutionary path toward God.

## **The Gospel of the Essenes**

Before You Die, Live the Life You Were Born To Live. When you come to the end of your days, you will not measure your life based on success and failures. All of those will eventually blur together into a single memory called “life.” What will give you solace is a life with nothing left undone. One that’s been lived with relentless ambition, a heart on fire, and with no regrets. On the other hand, what will haunt you until your final breath is who you could have been but never became and what you could have done but never did. The Last Arrow is your roadmap to a life that defies odds and alters destinies. Discover the attributes of those who break the gravitational pull of mediocrity as cultural pioneer and thought leader Erwin McManus examines the characteristics of individuals who risked everything for a life they could only imagine. Imagine living the life you were convinced was only a dream. We all begin this life with a quiver full of arrows. Now the choice is yours. Will you cling to your arrows or risk them all, opting to live until you have nothing left to give? Time is short. Pick up The Last Arrow and begin the greatest quest of your life.
