

Engineering Physics For 1st Semester

IIT Patna

Engineering laboratory, Process simulation laboratory among many others. The science block has classrooms, faculty rooms and laboratories for Physics

Indian Institute of Technology Patna (abbreviated IIT Patna or IITP) is one of the 23 IITs, located at Bihta near Patna, Bihar (India). It is recognized as an Institute of National Importance by the Government of India. It is one of the second generation IITs established by an Act of the Indian Parliament on 6 August 2008.

Technical University of Munich

largest TUM campus. In the last decades, the departments of Physics, Chemistry, Mechanical Engineering, Informatics and Mathematics have all relocated from their

The Technical University of Munich (TUM or TU Munich; German: Technische Universität München) is a public research university in Munich, Bavaria, Germany. It specializes in engineering, technology, medicine, and applied and natural sciences.

A University of Excellence under the German Universities Excellence Initiative, TUM is among the leading universities in...

Penn State College of Engineering

Fall 2016 semester. The average class size for courses within the engineering majors is 25 students, and engineering students account for 21% of the

The Penn State College of Engineering is the engineering school of the Pennsylvania State University, headquartered at the University Park campus in University Park, Pennsylvania. It was established in 1896, under the leadership of George W. Atherton. Today, with 13 academic departments and degree programs, over 11,000 enrolled undergraduate and graduate students (8,166 at the University Park campus, and 3,059 at other campuses), and research expenditures of \$124 million for the 2016–2017 academic year, the Penn State College of Engineering is in the top 20 of engineering schools in the United States. It is estimated that at least one out of every fifty engineers in the United States got their bachelor's degree from Penn State. Dr. Justin Schwartz currently holds the position of Harold and...

Established in 1868 by King Ludwig II of Bavaria, the university now has additional campuses in Garching, Freising, Heilbronn, Straubing, and Singapore, with the Garching campus being its largest. The university is organized into seven schools, and is supported by numerous research centers. It is one of the largest universities in Germany, with 52,931 students and an annual budget of €1,892.9 million including the university hospital.

Heidelberg is one of the most prestigious universities in Germany. It is a German Excellence University, part of the U15, as well as a founding member of the League of European Research Universities and the Coimbra Group. The university consists of...

The university offers several interdisciplinary courses such as Global Change Ecology, Theatre and Media Studies, and Health Economics. It is a member of the Elite Network of Bavaria (Elitenetzwerk Bayern), an educational policy concept of Bavaria for the promotion of gifted pupils and students in the higher education sector.

Institute of Mathematics and Applications, Bhubaneswar

of exposure to pure mathematics are given to the students. In the final semester, each student must submit a dissertation. Finance as a subject has emerged

The Institute of Mathematics and Applications (IMA), located in Bhubaneswar, Odisha, in India, is a research and education institution that was established by the Government of Odisha in 1999. Its dual purposes are to conduct advanced research in pure and applied mathematics and to provide postgraduate education leading to master's and Ph.D. degrees in mathematics, computation, computational finance, and data science. The institute also runs training programs in schools aimed at increasing mathematics awareness and leading to competitions such as the Mathematics Olympiads. The UG and PG courses are currently affiliated to Utkal University, which is the largest affiliating university in the country.

The permanent campus of IIT Patna is located at Bihta which is approximately 30 km west of Patna and has been fully operational since 2015.

University of Burdwan

exam. To apply for Ph.D. admission at Burdwan University, candidates must have one of the following qualifications: a 1-year/2-semester master's degree

The University of Burdwan (also known as Burdwan University or B. U.) is a public state university located in Purba Bardhaman, West Bengal, India. It was established by the West Bengal Government as a teaching and affiliating university on 15 June 1960 with six postgraduate departments and 30 undergraduate colleges spread over three districts that come under the jurisdiction of the university. The university currently offers more than 30 undergraduate and 66 postgraduate courses. It has grown as the second largest state university in West Bengal after University of Calcutta. Over the years, the University has consistently performed in the NIRF ranking by securing rank within top 100 under 'University' Category and occupied the rank of 89, 92, 85 and 87 in the years 2019, 2020, 2021 and 2022...

IIT Kharagpur

For each semester, the students are graded by taking a weighted average from all the courses with their respective credit points. Each semester's evaluation

The Indian Institute of Technology Kharagpur (IIT Kharagpur or IIT-KGP) is a public institute of technology, research university, and autonomous institute established by the Government of India in Kharagpur, West Bengal. Founded in 1951, the institute is the first of the IITs to be established and is recognised as an Institute of National Importance. In 2019 it was awarded the status of Institute of Eminence by the Government of India.

Clausthal University of Technology

Physical Chemistry Institute of Physics and Physical Technologies Institute of Polymer Materials and Plastics Engineering Institute of Technical Chemistry

The Clausthal University of Technology (German: Technische Universität Clausthal, also referred to as TU Clausthal or TUC) is an institute of technology (Technische Universität) in Clausthal-Zellerfeld, Lower Saxony, Germany. The small public university is regularly ranked among the Top German universities in engineering by CHE University Rankings. More than 30% of students and 20% of academic staff come from abroad, making it one of the most international universities in Germany. The university is best known for the prominent corporate leaders among its former students.

University of Bayreuth

Bavarian university city to introduce the semester ticket. When it began teaching in 1975, the university was designed for up to 8000 students in its final stage

The University of Bayreuth (German: Universität Bayreuth) is a public research university located in Bayreuth, Germany. It is one of the youngest German universities. It is broadly organized into seven undergraduate and graduate faculties, with each faculty defining its own admission standards and academic programs in near autonomy.

The institute was initially established to train engineers after India attained independence in 1947. However, over the years, the institute's academic capabilities diversified with offerings in management, law, architecture, humanities, medicine, etc. The institute has an 8.7-square-kilometre (2,100-acre) campus and has about 22,000 residents.

In 2018 in a special convocation the university honored Ex Prime Minister of Bangladesh Sheikh Hasina with honorary Doctorate of Literature.

Kazi Nazrul University

Entrance for Lateral Entry (JELET) exam conducted by West Bengal Joint Entrance Examination Board in lateral entry in 2nd year (3rd semester) of the four-year

Kazi Nazrul University (KNU) is a public state research university located in Asansol, West Bengal, India. Chief Minister Mamata Banerjee laid the foundation stone on 10 January 2013. The university has been named after the Bengali poet Kazi Nazrul Islam. The university was established under the Kazi Nazrul University Act, 2012. Anuradha Mukherjee was appointed as the first vice-chancellor of the university.

Heidelberg University

semesters, and a further four semesters for consecutive Master's degrees. The normal duration of PhD programmes for full-time students is 6 semesters

Heidelberg University, officially the Ruprecht Karl University of Heidelberg (German: Ruprecht-Karls-Universität Heidelberg; Latin: Universitas Ruperto Carola Heidelbergensis), is a public research university in Heidelberg, Baden-Württemberg, Germany. Founded in 1386 on instruction of Pope Urban VI, Heidelberg is Germany's oldest university and one of the world's oldest surviving universities; it was the third university established in the Holy Roman Empire after Prague (1347) and Vienna (1365). Since 1899, it has been a coeducational institution.
